

Another Cost-Saving Product From

A.M.I. MAGNETIC DRAPE

Reusable (Autoclavable) Instrument Magnetic Drape with Unique Reinforcement For Safety Security and Durability (Disposable Drapes are also available)

- SAFE & SECURE** - Prevents Instruments From Falling off the Sterile Field.
- RAISED ROUND MAGNETS** - Makes Instrument Easier to Grasp for Removal and Protects the Silicone Rubber from Corners of Rectangular Magnets.
- DURABLE** - Special Fabric Reinforcement between Layers of Silicone for Long Lasting Performance.
- STERILIZABLE** - Easily Cleaned Using Standard Cleaning Methods, and Can Be Sterilized By either Gas or Steam.
- ATTACH TO DRAPE** - Use a Standard Towel Clamp to Securely Fasten to the Surgical Drape.
- VERSATILE** - One Standard Size, will Conform to All Surface Shapes.
- ECONOMICAL** - Competitively Priced.

Product # 11116
