

AMI-Shipping Policy

AMI will quickly process your order and will ship it via UPS or FedEx on a prepay and add basis unless you request that your account be used. If it is a large shipment, you can request an LTL freight shipment with common carrier.

If it is received by 1 PM Pacific Standard Time, we will ship it within a maximum of 48 hours if the products are in inventory.

Next and second day shipment requests will be processed the same day for shipment whenever possible but will definitely be shipped within 24 hours.

If you require special shipping instructions, make sure it is clearly specified in your Purchase Order.

If you have any questions, do not hesitate to contact us.
