SAFETY FIRST!

- ♥ **ADJUSTABILITY** - Adjustable Height Kick Bucket - Minimizes Back Strain when gathering and Counting Sponges while Enabling Constant Visibility.
- ♥ **CATCH TRAY** - Reduces the Chances of Bloody Sponges Dripping on the O.R. Floor, thus Reducing Bloodborne Pathogens and the Risks to Patients & Personnel.
- ♥ **SYSTEM I BAG** - For 5 laps or 10-4x4's with Dividing Seals, most Economical with the Patented Wrinkled Release, Packed for Easy Counting and Disposal.
- ♥ **SYSTEM II BAG** - For 5 Laps or 10-4"x4" Individually Packed for Easy Counting and Disposal.
- ♥ **DURABLE** - Crafted from High Quality Stainless Steel/Aluminum Construction, Maintenance Free.
